WINTER 2011 - Part I

**Snowball is now safe, healthy
and able to run and play again!**

SNOWBALL was found after she had been hit by a car, her leg severely broken.
Dr. Morton operated on Snowball and was able to successfully mend her leg.

Please HELP us again soon!

Thank you for your tax deductible contributions!

Straydog Inc., a No-Kill Dog Shelter and Sanctuary

Dear Friends and Supporters,

We are always asking for your financial help, and we must continue to do so as we continue our mission. The generous donations you contribute to Straydog are the only support we receive, and your generosity provides the dog food, medical needs, medicines, supplements, kennels, dog houses and shelters, caregiving time, park walks, grooming and much more for each and every one of our rescued dogs.

Donations made directly to Morton Small Animal Clinic (where our account balance stands at more than \$ 7,500) help provide for the vital and necessary medical care all our rescued dogs require. Your gifts are powerful because they go to work immediately. We are forever grateful for your ongoing contributions.

As we continue to care for the rescues now residing at our shelter/sanctuary, we are always searching for loving forever homes for our dogs. Every adoption opens a spot in our shelter to care for yet another dog in need.

The work at Straydog is ongoing. We never let up as our commitment is 24 hours a day, 365 days a year. We will continue to spread the word--the Straydog story and mission. We are reaching out to you, asking that you continue to support us in our efforts.

PLEASE HELP US:

- (1) Share our newsletters with your animal enthusiast friends! We'd be happy to add them to our mailing list.
- (2) Visit our website regularly (www.Straydog.org) as it is packed with stories and pictures.
- (3) Ask at your place of work if there is a matching contributions program, and if so, please contact us, and we will complete the paper work. Some programs allow you to contribute pre-tax dollars out of your paycheck so that you don't have to worry further about taking deductions when filing your income tax forms.
- (4) Participate in our fundraising events. We are planning numerous fundraising events for the upcoming year, so please let us know if you are available and would like to volunteer!
- (5) Remind everyone you know to spay and neuter their pets as this is the only solution to eliminate the over population problem, which will end the tragic euthanasia of millions of homeless companion animals, and will tremendously reduce the need for no-kill shelters.

Sincerely,
Bill and Juana Arnold

Diabetic Noble, our loveable and handsome rescue, is doing well thanks to your donations! Because of our caring contributors we were able to give Noble a second chance at life, and continue to do so with medicines and surgeries he's needed. Noble is one success story of many!

Thank you for your support!
