

The Straydog Story..

Straydog, founded in East Texas in 1994, is the most remarkable, no-kill dog shelter and sanctuary. It's well known for the extraordinary, loving care that all of their rescues receive, when they become a part of the Arnold family's happy home for strays.

For many years, prior to acquiring their non-profit status, Pat and Bill Arnold embraced the mission of rescuing and caring for stray dogs that were often neglected, sick, injured or abused. Pat and Bill gave everything they could, both financially and physically, to maintain the highest quality of care for their rescues, while trying to find new adoptive families for them. They also reached out to educate the public about the importance of spaying and neutering their pets.

It was at times, just like today, when there wasn't enough money to keep them afloat, that Pat would ask Bill to help her make it happen. When Pat would find another homeless, starved, scared or mangy dog, she would say, "I know we can't help them all, but what about this one?"

It was a very sad day in May 2003, when we lost Pat unexpectedly. Her last words were, "Take care of my dogs while I'm gone." Bill and their four children continue to reach out and provide the same level of care and compassion for so many abandoned, ne-

glected, sick and injured rescues.

In 2011, Straydog provides a home to 125 rescued dogs and a few kitties, while they continue to struggle financially. With their supporters' help, Straydog is able to continue its vital mission.

You have the opportunity to help Straydog by joining in the fun at our First Annual Straydog Golf Tournament on Friday, November 11, 2011.
